About Us

History

Founded by the 1992 alumni of GPTC Krishnagiri, the Trust grew from informal reunions into a registered charitable foundation on **15 July 2025**. Since then, we have organized alumni meets, supported students, and expanded into structured social initiatives.

GPTCK 92 Trust (Alumni Foundation) was founded by the 1992 alumni of Government Polytechnic College, Krishnagiri (GPTC Krishnagiri), who studied between 1989–1992 in

DME, DCE and DECE branches. The alumni first reunited through informal meets and later formalized their efforts into a registered public charitable trust on 03.07.2025 to serve people across India in education, skill development and social welfare.

In 2019, some of our batchmates met and successfully organized an alumni meet at GPTC Krishnagiri. Encouraged by the success, we decided to bring together as many 1992 batchmates as possible and formed the “GPT 92 Batch” group.

Due to the Corona pandemic, our planned 2020–2021 alumni events were postponed. In 2023, we again celebrated an alumni meet at the GPTC Krishnagiri campus with around 113 batchmates, which became a memorable milestone in our journey.

Over the years, the group has organised alumni meets, honoured meritorious students, and gradually expanded into structured social activities such as fee support, medical assistance and tree plantation. To ensure continuity, transparency and long-term impact,

Founded by the 1992 alumni of GPTC Krishnagiri, the Trust grew from informal reunions into a registered charitable foundation as “GPTCK 92 TRUST (ALUMNI FOUNDATION)” at Krishnagiri on **15 July 2025**. Since then, we have organized alumni meets, supported students, and expanded into structured social initiatives.

Vision

An educated, healthy, and environmentally responsible society where every deserving individual has the opportunity to learn, live with dignity, and contribute to the nation.

Mission

- Provide education and skill development for underprivileged youth
- Promote health, environment protection, and women & child welfare
- Serve society collectively, without discrimination

Values

Equity • Transparency • Service • Sustainability

Governance

Our Board of Trustees ensures compliance, transparency, and accountability. Activities are purely charitable and open to all.

Managing Trustee – Mr. V. Sundaravadivam

Founder and Managing Trustee of GPTCK 92 Trust (Alumni Foundation), alumnus of GPTC Krishnagiri 1992 batch, with a strong background in community service. He leads the vision, strategy and overall governance of the trust.

Trustee – Mr. M. Rajesh Kanna

Senior professional with strong background in industry and 1992 alumnus, actively involved in alumni mobilisation and field programmes in all the region.

Trustee – Mr. R. Sivakumar

Brings experience from Tiruvannamalai district and supports education and youth development initiatives.

Trustee – Mr. L. Senthil Kumar

Coordinates outreach with corporate and local communities, supporting education and environment activities at Krishnagiri.

Trustee – Mr. S. Sangili

Coordinate in local-level programme execution and alumni coordination at Krishnagiri.

Trustee – Mr. D.K. Sivakumar

Works on youth development, training and social welfare programmes in Tirupattur district.

Trustee – Mr. K. Senthil Kumar

Supports educational and career guidance programmes for students from Salem and surrounding districts.

Trustee – Mr. R. Matheswaran

Coordinates student and skill-development related support in Hosur and neighbouring regions.

Trustee – Mr. C. Gopi

Focuses on community relations, tree plantation and youth activities in Hosur and nearby areas.

2.5. Dedicated Team

Behind the trustees, GPTCK 92 Trust is supported by:

- Alumni volunteers from the 1992 batch across multiple districts.
- Local coordinators for education, health, environment and youth programmes.
- Part-time trainers, resource persons and community workers engaged for specific projects.

Programs and Projects

GPTCK 92 Trust runs integrated programmes across Education, Health, Environment, Women & Child Welfare, Disaster Relief, Skill Development and Youth Development, with a special focus on poor and educationally backward communities.

3.1 Education

Key initiatives:

- Scholarships and fee support for poor and deserving students at school, ITI, diploma, UG and PG levels.
- Free tuition centres and special coaching for board exam students and dropouts to re-enter regular schools and colleges.
- Distribution of learning materials, books, uniforms and other educational aids.
- Skill and vocational training in areas like computer, carpentry, welding, fabrication, AutoCAD and CAM to promote self-employment.
- Personality and motivational training for students and young entrepreneurs.
- Support for libraries, free reading rooms and resource centres open to the public.

3.2 Health

- Conducting health camps, college medical check-up camps and health awareness programmes in rural and urban areas.
- Eye, dental, HIV/AIDS and general medical awareness and screening camps.
- Assistance towards medical treatment expenses for needy individuals, including rehabilitation and physiotherapy support where possible.
- Promoting wellness with Yoga & Meditation for good health habits.
- Promoting sanitation, clean water, hygiene and nutrition awareness, especially among SHGs, women and children.
- Exploring support for old age homes and care for the elderly, subject to resources.

3.3 Environment

- Tree plantation drives and nursery development in and around institutions and communities to combat climate change and global warming.
- Environmental awareness programmes and camps on pollution control, waste management, water conservation and climate change.
- Beat plastic and save environment
- Promoting rainwater harvesting at household and farm level, especially low-cost solutions for rural communities.

- Engaging students and youth in National Environmental Awareness Campaigns and related activities.

3.4 Women and Child Welfare

- Awareness programmes on mother and child care, nutrition and health.
- Supporting women self-help groups through training, savings promotion and economic empowerment activities.
- Education support and day-care/ Balwadi type initiatives for children from the poorest families wherever possible.

3.5 Disaster Relief

- Mobilising alumni volunteers and local networks during floods, pandemics or other disasters.
- Providing emergency relief such as food kits, clothes, medicines and basic necessities to affected families, subject to available resources.
- Coordinating with local administration and like-minded organisations for efficient distribution.

3.6 Services: Skill Development, Placement and Personality Development

- Job-oriented training programmes in technical and non-technical trades to improve employability.
- Career guidance, interview skills and soft-skills sessions for students and unemployed youth.
- Entrepreneurship Development Programmes (EDP) to encourage self-employment, especially among women and youth.

3.7. Impact and Success Stories

- **Supporting Students' Education**
In the year of 2023 onwards we started "Through our scholarship, GPTCK 92 TRUST has helped poor and deserving students continue their college and technical education when their families were unable to afford the costs."
- **Alumni-led Tree Plantation**
In the year of 2023 "Alumni of GPTC Krishnagiri joined hands to plant trees in and around the campus and nearby areas, promoting a greener environment and climate awareness among students."
- In the year of 2024 onwards, we started educational fee assistance for students' college fees as part of program, GPTCK 92 TRUST has helped poor and deserving

students continue their college and technical education when their families were unable to afford the fees payment.”

- In the year 2024 we have sponsored computer desktop to GPTC Krishnagiri for students training.
- In the year 2024 we have provided motivational programme to the students of GPTC Krishnagiri.
- Health Camps in Rural Areas
In the year of 2025 onwards we started “Medical assistance for needy people when their families were unable to afford the expenses.”

3.8.Impact in Numbers

- 10+ students benefited with scholarships assistance.
- 120+ saplings planted in the premises of GPTC Krishnagiri and all trees are maintained till now.
- 2+ students benefited for college Tuition fee assistance
- 2+ Patients benefited for medical emergency expenses.
- 80+ Students benefited for using the computer
- 60+ Students benefited for Motivational Programme

Events and News

Content suggestions:

- Upcoming events calendar: alumni meets, camps, training sessions, plantation drives.
- Event recaps as blog posts with photos and short write-ups.
- Highlights of new initiatives, partnerships, grant approvals or major milestones.

Donate

Your support changes lives.

Every contribution helps us reach more students, families, and communities.

Suggested Contributions:

- ₹500 – Study materials for one student
- ₹1,000 – Health camp or tree plantation
- ₹3,000 – Topper prizes for three children
- ₹5,000+ – Scholarship support for higher education

Donation Process and Receipts

- Donors can contribute without mandatory email; mobile number and WhatsApp are sufficient.
- Receipts can be shared through email and WhatsApp based on donor preference.
- Once 80G/12A approvals are obtained, clearly mention tax benefits and add a line like “Eligible for tax exemption under section 80G of the Income Tax Act” (update only after approval).
- Option for corporate donors to support specific projects, including CSR-aligned activities as per Schedule VII of the Companies Act.

Include a short trust-building paragraph about funds usage:

“All donations are used only for charitable activities in line with the objects of the Trust. Accounts are maintained and audited annually by a Chartered Accountant as per law”.

Transparency:

All donations are used solely for charitable activities. Accounts are audited annually. Tax exemption under Section 80G will be highlighted once approvals are obtained.

[Donate Now]

Reports and Financials

- Annual Activity Report summarising key programmes, beneficiaries and impact.

- Financial summary or audited statement extracts for each financial year, once ready.
- Brief note that accounts are regularly audited and maintained as per Income Tax norms.

Partners and Supporters

- Logos and names of institutions, corporates and individual well-wishers who support programmes (after consent).
- Separate page or section acknowledging sponsors of specific projects (scholarships, camps, infrastructure, etc.).

Volunteer & Alumni Section

Intro:

We invite GPTC Krishnagiri alumni and like-minded individuals to join hands with us as volunteers, mentors and supporters.

Roles and Opportunities

- Event volunteers for health camps, education programmes and plantation drives.
- Mentors for students in academics, career and personal development.
- Content, photography and documentation volunteers for reports, blogs and social media.
- Local coordinators in different districts to expand outreach.

Alumni Sign-up and Forms

- Simple online form to collect name, batch, branch, contact details, location and interest areas.
- Option to indicate skills (teaching, counselling, technical, mobilising) and availability.

Testimonials

- Short quotes from beneficiaries, alumni and partners about their experience with GPTCK 92 Trust.
- You can display 3–5 rotating testimonials on this page as social proof.

Prominent “Donate Now” and “Volunteer Now” buttons can be added in the header and on multiple sections for strong calls to action.
